

Be the Change!

Opportunity Profile: JECSA Vice President

Do you want to make a difference, get some real experience on that CV, meet new people and learn new skills? Well read on...!

THE VICE PRESIDENT

The Vice President is a member of the Executive Committee that supports the Student President and helps out with the work they are taking part in. We ask for a minimum commitment **of two hours per week** and you will receive a certificate at the end of the year certified by Volunteer Scotland and a reference from the Students' Association for your future employers.

Key Actions and Activities:

- In conjunction with the Student President, ensure the interests of the students in their centre are well represented across the College, in the centre and at the Student Representative Council
- Attend Board of Governors meetings as an observer
- Ensure that all students at have optimum access to Association officers and services
- Co-ordinate and publicise Association activities to all students
- Promote elections for Class Representatives and Association officers to encourage high participation

What can you bring and what can we give you?

You will gain valuable insight into what is happening in the college and be able to work strategically to improve student life. You will have input to student campaigns and be involved with in meetings and events with organisations such as the NUS and Queen Margaret University.

This year we are pulling together a five year plan for the Association to allow it to grow and develop as often there are frequent changeovers in the Association Executive committee. We don't want to see any of the good work done each year go to waste!

We will be working on getting more focus on Colleges by the NUS (at present things are very University based but this is changing!) and will be looking at Carers and Young Carers in Further and Higher Education (there is at present not government policy or general guidance for FE and HE establishments on how to support and advise).

If you have any new ideas about how things should happen for students and how they should be represented this is your forum, this is a post that can grow with you to allow you to make the change, the connections and to truly shine!

Be the Change!

Opportunity Profile: JECSA Vice President

How to apply for a post at Jewel & Esk Students' Association

Step 1.

Look at the Opportunity Profiles online and see which one fits your skills and interests (you've started this one!)

Step 2.

Fill in the Personal Profile form and return by email to studentpresident@jec.ac.uk

Step 3.
